

## COMPETITIVE FACADE RENOVATION REIMBURSEMENT GRANT

### GRANT AMOUNT

50% of eligible project costs up to \$10,000 for approved facade renovations

The purpose of this one-time Competitive Facade Renovation Grant is to encourage historically accurate improvements to a commercial facade within the Main Street Enid boundaries. Restoration of individual façades improves the visual appearance and strengthens the character of the entire downtown, which is critical to the success of the economic health and vitality of the district as a whole.

### GUIDELINES

- The building must be located within the Main Street Enid boundaries.
- Your completed application must be submitted and approved prior to work beginning.
- Priority will be given to projects that have a significant visual impact, active business use and historic integrity.
- Once the project is completed, submit paid receipts for work associated with the façade improvements for reimbursement.
